

Symbolic Monarch Migration Leader Packet 2024-25

The Symbolic Monarch Migration mimics the migration of monarch butterflies to Mexico in the autumn and their return North in the spring. Students in the USA and Canada send life-sized paper butterflies in the fall and receive different paper butterflies from the participating groups in the spring plus a letter from a student in Mexico. Students in the USA and Canada also create Ambassador Folders as gifts for students in Mexico.

Symbolic Monarch Migration Project Partners

The Symbolic Migration is a partnership project between Journey North (a program of the University of Wisconsin-Madison Arboretum) and Monarchs Across Georgia (a committee of the nonprofit organization, the Environmental Education Alliance).

Journey North hosts educational materials on its website.

Monarchs Across Georgia administers the project including coordinating the exchange of symbolic butterflies among 2000+ classrooms in three countries, engaging an environmental educator to provide lessons and deliver materials in Mexico, and raising funds for the project's continuation.

WHAT IS AN AMBASSADOR FOLDER?

Your Ambassador Folder is a gift to a student in Mexico.

Make your gift something to be treasured!

Choose between two design options:

- 1.Create your own Ambassador Folder using a letter-sized file folder and your unique design* or
- 2.Use one of our templates available in the Google Drive Folder of Ambassador Templates to decorate the outside.

Special instructions:

- *Personalize the inside of the folder with a message or decoration.
- *Avoid using glitter or bulky materials.
- *Ensure the following information is included on the folder:

Teacher's/Leader's Name
School/Organization
City, State/Province, Country

*See examples: bit.ly/AmbassadorExamples

WHAT IS A PASSENGER TICKET?

What are the basics?

- A Passenger Ticket is the email receipt received when you pay the \$15 or \$20 fee.
- This project is designed for a single classroom, group, or family.
- Each Ambassador Folder needs a separate Passenger Ticket. Enter the correct Mailing Address when you purchase your Passenger Ticket. NOTE: The mailing address may differ from the street address if a P.O. Box is used for postal delivery.
- **Save** and **Print** the email receipt from your purchase. It is your official Passenger Ticket and needs to be enclosed in each Ambassador Folder.

How do we use this fee?

• The fee pays for our supplies, shipping fees to and from Mexico, postage back to you in the spring, and environmental education activities in Mexico.

Do I get any supplies for my fee?

• No supplies are provided.

What supplies do you need?

- a letter-sized file folder
- copies of the life-sized butterfly template for each student
- a copy of the Hello Friends/ Hola Amigos Letter
- an envelope with postage affixed (No Return Envelope is required.)

How can I make a payment?

 Payment by credit card (Visa, Mastercard, or Discover) is preferred. Purchase orders are accepted; contact <u>symbolic-migration@eealliance.org</u> to request.

WHAT GOES INSIDE MY FOLDER?

What should be included in my Ambassador Folder?

- 1.A cluster of **life-sized butterflies**, one made by each student in your class/ group NOTE: A life-sized monarch is less than 4"x4".
- 2. A completed "Hello Friends/ Hola Amigos" Letter (also on page 10)
- 3. Your Passenger Ticket (a copy of the email confirmation of your purchase) is required with each Ambassador Folder.

Additional instructions:

- Total number of life-sized butterflies per Ambassador Folder should not exceed a class size of approximately thirty (30). Additional Passenger Tickets should be purchased for classes/ groups larger than 30.
- Use our <u>Life-Sized Butterfly Template</u> (also on page 9) and enter all of the information (except perhaps the student's first name) before making photocopies.
- Illegible handwriting prevents other participants from contacting you in the spring when these life-sized butterflies return to participating groups the USA and Canada.
- Do not laminate your butterflies.
- Mark the map with an X to show where you live and draw an arrow to show the
 migration route to Mexico. Use <u>Google Maps</u> to measure the distance in kilometers
 from your location to Angangueo, Michoacan, Mexico, and fill in the blanks with your
 town, state/province, and country. Complete the Letter in both Spanish and English.
 (You can use the same words.)
- Optionally, you can enclose a Group Photo, Postcard, or ONE single-page Note written in Spanish. <u>Google Translate</u> is an option for translations.
