

CoOL Outdoor Learning Symposium Presentation Proposal for November 7, 2023 at Ford Elementary School, Acworth, GA

Please submit your proposal by Sunday night September 10th by 11:59pm

* Required

Email: *

Name of Organization / Employer *

Name of Presenter *

Title of proposed presentation *

Brief description of presentation for program. Include target age/grade level/range *

Rationale for including this presentation, including your experience with outdoor learning, any innovative aspects of your presentation, and relevance of the topic to attendees *

Preferred format * chose one

One-hour session

Two-hour session

In order to best model outdoor learning, each session should include an outdoor component (weather permitting). Please pick one of the outdoor spaces that are available on Ford Elementary School's campus: *

Shallow rocky bottom stream (Trib of Little Allatoona Creek)

Mixed woodland

Woodland trail

Existing/in-use raised garden beds (for visual demonstration, no digging)

Grassy field

Outdoor Classroom Area with seating

Outdoor Classroom Area without seating

Typical campus common areas (quad, benches, planter beds, concrete seating, etc.)

Picnic tables under shaded arbor

Large open-air amphitheater (partial-full sun exposure)

Other: Please specify

Note: A pre-symposium visit can be scheduled to view the specific outdoor locations. Contact info@eealliance.org for more info.

Names of any co-presenters:

Acknowledgment that presenters must register for conference (with presenter discount code) * **Registration will be opening soon**
